## TEACHER'S GUIDE

### LESSON OVERVIEW

**Big Idea:** We can be adopted into God's family  
**Key Question:** What do we have to do to be adopted by God?  
**Memory Verse:** God decided in advance to adopt us into his own family by bringing us to himself through Jesus Christ **Ephesians 1:5**

**Overview:** We're starting a new series called "Get Rich". But it's not what you might think. We won't be talking about how to make lots of money so you can buy your parents a car or a new Xbox! We're talking about being rich because of God's love. God's riches are not just about money. God's riches are about love and forgiveness. And, he wants us to be rich in those things. The Bible says that we all have a sin problem that breaks our relationship with God. That's why Jesus came. He came to die for our sins so that we could be made right with God. And, when we put our trust in Jesus, the Bible says we gain a whole new family. This is what Paul explains in the book of Ephesians. Through Jesus, we are adopted into God's family! We are God's children and we get all the benefits that come from being in God's family. We get his protection, his love, his blessings, and we get heaven! Talk about getting rich! So, make sure you've put your trust in Jesus so you can be adopted into God's family and benefit from all of God's riches.

### TEACHER TIPS

Don't forget that you set the tone for your kids. Smile. Have fun. Pursue God together.

Family is important. We need people to love us, protect us, and to provide for us. But being a part of God's family is the most important.

**Answer: We have to put our trust in Jesus.**  
The Bible says that in order to be a part of God's family, we have to put our trust in Jesus. We need to ask Jesus to forgive our sins and invite him into our hearts to help us to live a life that honors God. Because of Jesus, we get all the benefits of being a part of God's family.

**Bonus Questions:** What do we need to do to trust in Jesus? What are some benefits of being a part of God's family?

**4-5th:** Why is family important? What does it mean to you that you can be adopted by God?

When we're a part of God's family, that means we have God on our side. He's the best Dad ever! He will protect us, love us and provide for us. That's why we don't have to be afraid. And, the best part of being in God's family is looking forward to heaven where we get to live with him some day. Heaven will be the coolest, prettiest, and the most fun place we can ever imagine.

Make sure kids bring their Family guide home or tell them to go online to [pursueGOD.org/kids](https://pursueGOD.org/kids) to find this week's lesson.

**And God's family is \_\_\_\_\_ than you think**

Do you know who else is a part of God's family? Abraham. Moses. David. Peter and Paul. Joseph and Mary. And every single person in history who asked Jesus into their heart.

**There's only \_\_\_\_\_ to get into God's family**
