# The Story of Moses: The Parting of the Red Sea

LESSON #4 **TEACHER'S GUIDE** 

#### **LESSON OVERVIEW**

Big Idea: God saved his people just like he promised

**Key Question:** How has God saved us?

Memory Verse: He reached down from heaven and rescued me; he drew me out of deep waters Psalm 18:16

Overview: Today, we're finishing our series about the life of Moses. We've already learned that he was born during a difficult time in history for the Jewish people. They were slaves in Egypt with no hope. But, God had a plan to rescue his people through a little boy named Moses. We also learned that Pharaoh's daughter adopted Moses and raised him as a prince in Pharaoh's palace. But, Moses never forgot where he came from, and he knew he had to do something to save his friends and family from slavery. Last week, we learned about a strange twist in the story. Moses was kicked out of Egypt because of a crime he committed. He was no longer in a position to help the Jews, or so he thought. God appeared to him in a burning bush and told Moses that he still had a plan to save the Jews from slavery and Moses was the guy to do it. We learned that Moses was scared but he chose to trust and depend on God. Today, we're going to finish the story by learning how God finally fulfilled his plan and rescued the Jews from Egypt. Moses returned to Egypt and pleaded with Pharaoh to let his people go. But, Pharaoh refused. It took a lot of asking, and a lot of punishments, before Pharaoh finally decided to let the Jews go. Moses led them out of Egypt. But, Pharaoh changed his mind and chased after the Jews all the way to the edge of the ocean. Then, God did one of the coolest miracles ever-he parted the waters and saved them from Pharaoh and his army. This proves that God had a plan and no one was going to stop it!

#### **TEACHER TIPS**

Don't forget that you set the tone for your kids. Smile. Have fun. Pursue God together.

Allow each kid to share. The point: When we are in danger, we need help. The Jews needed to be rescued and God helped them.

Answer: God has saved us from our sins.

The Bible says that our relationship with God was broken due to sin. We needed someone to fix it for us. That's why Jesus came. He came to die for our sins on the cross to save us. And, we get to live with God in heaven some day!

**Bonus Questions:** Why do we need Jesus? What is sin? (going our own way, instead of God's way) **4-5th:** Why was Jesus qualified to pay for our sins? **(because** he is God so he is perfect)

Anything that is right and good can be found in the Bible. Things like: God wants us to obey him and our parents, forgive others, love others, help others, and don't lie. Here's something really neat about this verse. It was a prophesy, meaning it talked about something that hadn't happened yet. This verse is talking about Jesus coming to save us from our sins long before anyone had even heard of Jesus. Just like we see in the story of Moses, God has always had a plan to rescue his people- the Jews from slavery and us from sin!

Allow each kid to share.
