## Lesson Overview

Today we're talking about proverbs. Proverbs is just a fancy word for good advice that helps someone make a good choice. There is a whole book in the Bible called the book of Proverbs. King Solomon, who was the wisest person to ever live, wrote this book to help people. He wanted people to have the wisdom to know right from wrong and to make good choices in their lives. Even though the book of Proverbs was written thousands of years ago, the advice applies to us today. And, even better news, when we invite Jesus into our hearts, he gives us the strength to live out the proverbs in our lives. He helps us to see the wise choice and gives us the strength to put them into practice.

## Classroom Agenda

1. (5 min) **PLAY: Let kids start working on Activity Page #1.**
2. (5 min) **WARM UP: What's the best decision you've ever made? Explain. What's a bad decision you've made? Explain.** (Tip: We're all faced with decisions everyday and we gather information in order to make a decision. But, we need to make sure we have good information so that we make good choices and avoid bad information that leads to bad choices.)
3. (5 min) **PREVIEW: Write out the Big Idea, Memory Verse, and Key Question on a whiteboard.** Have the kids copy it down on Activity Page #1 (if applicable).
4. (20 min) **LARGE GROUP: Gather for songs and videos with other kids.** Then return to class to finish this guide.
5. (2 min) **RECAP: Read the Lesson Overview (see above).**
6. (3 min) **KQ: Answer the Key Question.** (Answer: Wisdom is just a fancy word for having good information that helps you to make good choices. As Christians, we find our wisdom in the Bible. The Bible is full of information we need to know how to live for God. In addition, we have the Holy Spirit who helps us to live a wise life.)
  - **Bonus Questions:** What is wisdom? What book is full of God's wisdom? **4-5th:** Share some examples of wisdom we find in the Bible. How can you apply those to your life?
7. (5 min) **EXPLORE: Read [James 3:13](#). How do our actions prove that we are wise? Why is humility important to honoring God?** (Answer: We can have the right information in our heads but no one will know that until we act on it. Our actions will prove if we are thinking the right way or the wrong way. God wants us to be a light for him to our friends so we need to act in ways that honor God. Humility means to be humble and not to think of yourself as better than anyone else. We need to remember that our wisdom comes from God and he is the one that helps us to live a wise life.)
8. (10 min) **PLAY: Choose a group activity from Activity Page #2.**
9. (5 min) **CLOSE: Share prayer requests and pray as a class.** Encourage kids to use the Family Guide at home with their parents - and remind them to go online to [pursueGOD.org/kids](http://pursueGOD.org/kids) to find this week's lesson video.

The proverbs are good for anyone at any time in history. It doesn't matter who you are or where you're from, you will benefit from living your life based on the lessons in Proverbs.

## Anyone who knows Jesus can actually live the Proverbs

Wisdom is good for anyone, but people who know Jesus are the ones who really benefit. Do you know why? Because they're the ones who can obey the proverbs! It's one thing to know what's right to do. It's another thing to actually do it.
